Teaching Fellows: 100 Euro  
Fellows: 50 Euro  
Assistant Therapists: 35 Euro  
Members in training: 25 Euro

These are the minimum fees that will go to ESBP. Each chapter can charge more. They will be paid from 2002 on and include the membershipfee for ISBP 5 \$ or 5,5 Euro per member. This will be paid by ESBP to ISBP.

Assistant therapist: the italian suggestion to be called operator needs to be considered in the future, because this may change the regulations accepted by the European Assotiation ofPsychotherapy (EAP). It will again be put on the agenda from ISBP.

Chapters have been advised to not scratch names of members who have not yet paid on the 1999 list, since a minimum membership is needed to belong to EAP. The individual

who wants to be part of EAP as well needs to pay the membership fees for ISNIP for 99,00 and 01.

New members of ESBP may try to get into EAP at old fee. New fee is 218 Euro per person.

Slovenia wants to be chapter in 2002, and needs to include 2 TF in the society to be member. In the meantime they become member of the Italian society. We will try to put them on the list for EAP.

Next ISBP (International Society for Bonding Psychotherapy) meeting: has been planned for Portugal at May 15, 16 and 17, 2003.
