## 2. Alterations in the bylaws

### ARTICLE 10. AMENDMENTS

#### Section 1. Amendments.

These By-laws be amended, repealed, or altered in whole or in part by a two-thirds vote of the members present in person or by proxy at any duly called regular or special meeting of the members. The proposed change shall be mailed to the last recorded address of each member at least sixty (60) days before the time of the meeting which is to consider the change.

Following alterations were agreed upon in the general meeting in September 1993.

code :           **additions/corrections - bold**  
                    *left out - italic and underlined*

### ARTICLE 1. MEMBERSHIP

#### Section 1. Categories of Membership

##### b. MEMBER "M".

Those persons who have participated in two weekend workshops lead by a Teaching Fellow or who are in New Identity therapy may become Members. They will receive the Society publications and may apply for further training in the New Identity Process. They are not recognized as qualified to practice New Identity Process Therapy. They are **non-voting members (for matter of the international organisation). But for national matter each Chapter can decided differently.**

##### e. TEACHING FELLOW "TF".

Those members who have been certified as fellows may continue training to become Teaching Fellows. An advanced degree in a Mental Health Discipline is required before designation as Teaching Fellow. After they have completed such a degree, and have completed the training program required by the Board of Directors, and have demonstrated their ability to teach N.I.P., including five years' experience as N.I.P. Group Leader **and Fellow** they must pass *written and oral* examinations administered by the Credentials Committee. When the Credentials Committee recommends certification, they may be certified "Teaching Fellow" by the Board of Directors. They are then recognized by the International Society as qualified to lead training workshops, to

institute training programs, and to teach other persons the New Identity Process.

To maintain their Teaching Fellow status, all Teaching Fellows are required to participate as a co-leader or as a participant in at least one New Identity Process workshop led by at least one other Teaching Fellow every year.

## ARTICLE 5. OFFICERS

### Section 2. Method of Election.

The Board of Directors shall elect the officers from among the members of the Board of Directors at the annual meeting for a term of **two** years or until their successors shall be duly elected and qualified. (Five year terms were 1980-1983, three year began in 1984).

*Motivation : it is more realistic to extend the board for another two year when things are going well. And if changes are in order, a new board can be elected at the International Conference, which is also held every two years !*
