2. Finances international conference 95

In follow up of Board Meeting 12 we expect news from the ASNIP Board concerning the splitting of the profits of the conference between ASNIP and ISNIP.

ASNIP to send 50/50 split of profits to be determined after all conference expenses are paid > Ron Kissick.

3. Offices

During the General Meeting there was a proposition to maintain continuity in the office of the presidency leading of the society.

The suggestion was to form a committee for daily leading composed by the past president, the present president and the future president.

The Board Meeting and the General Meeting proposed that Ron Kissick would be the next president to be nominated at the Conference in Amsterdam 97. Hereby

we would like to ask you to check with your chapter if there are any objections or other suggestions.

If we accept the first point, we also have to indicate the future president, to be nominated at the 1997 Conference.

Sounds too ambitious - one year over-lap with the president-elect would be enough > Jeff Gordon.

4. International Conference 1997

Concerning the Conference 1997 in the Netherlands there was suggested to organise the conference in Amsterdam. This may attract a lot more Americans than any other location. We ask the Flemish/Dutch society to fix the dates and the location of the Conference.

Flemish/Dutch chapter :
.....

As topics for the Conference, two points were proposed. The first one is to have space and time to have consensus conferences at least on what is bonding in NIP and the second point was what point of view and how to work with Aids, seropositive clients in NIP.

But not as main themes for the conference > Jeff Gordon.

First boardmeeting Flemish-Dutch society is on 19/01/96 to fix date and place > Johan Maertens

5. The assistant therapist :

description of his position (description of the criteria, description of the procedure will be added to the criteria for Fellow and Teaching Fellow and will be published together in the July membership list) :

The assistant therapist has done the whole training for Fellow but has not the required formal education in his country to be a psychotherapist. He can work as

1. a grouppsychotherapist in an institute under the full responsibility of the clinical or medical director and with supervision of a teaching fellow in or outside the institute
2. an assistant in a private centre where he works as a grouppsychotherapist under the full responsibility of the fellow or teaching fellow leading the groups.

<i>Ron Kissick</i>	<i>yes</i>
<i>Johan Maertens</i>	<i>yes</i>

A teaching fellow inside the institute, not outside, to me it seems against the needs required generally to be a therapist > Domingos Neto

My understanding of our meeting was that there is no need to publish criteria because both of these categories are under full supervision and responsibility of the sponsoring organization or the fellow or teaching fellow. Please do not open this up to publication because it implies responsibility by ISNIP which we cannot enforce > Ron Kissick.
