Founder

July 1985

## Letter from the President

While this is going to press, I am in Europe with Tance, presenting NIP workshops in Holland and West Germany, and meeting as many of our Fellows and Teaching Fellows as I can. We hope to bring back suggestions for our new organizational structure which will help us strengthen ties across the Atlantic.

At our Annual Meeting, July 26-29, 1985, we will be considering our by-laws, and our having two divisions in the International Society, American, and European. They would be responsible for credentials, standards, and structure within their division, subject to approval of the International Board of Directors.

The pre-conference workshop will be from July 20 to 24, five days, with Tance and I leading with Bill Wolfson. Our aim is to provide an intensive for those who need it, and to give couples a special two-day intensive, with opportunity for training for those who attend, either the two, the three of the five days.

The Annual Meeting begins Thursday evening with an emotional group for us all so that we can enjoy being bonded the whole weekend, if we will. I urge all members to join us. We'll be there!

Love and Hugs,  
George M. Rynick

## Letter from the Editor

Greetings! The annual ISNIP conference in Livonia, Michigan will be here in a few short weeks, and again, I'm looking forward to receiving your comments and articles for the newsletter. I'm also going to use this opportunity to encourage you to contribute those ideas and articles for newsletter publication. The Society has grown considerably in the past few years — we now have more than 100 members. And while most people I've spoken with agree as to the newsletter's importance as a major communication link among us in the U.S. and abroad, I've run into considerable difficulty in securing articles for publication. As you may have noticed, there is no main article in this newsletter. There are so many NIP practioners using the Process on a regular basis and each in their own therapeutic specialty, be it business, couple, children, etc. **SHARE** what you do with the NIP, what you have discovered, how it has been helpful in your practice. Each of us can benefit from the information. . . and put it to good use. It means just taking those few minutes to organize thoughts, write it down and send it to me. If the newsletter is to continue successfully, your input is vital. Thanks, and. . .

Hugs,  
Pat
