Letter from the President

Season's Greetings! Time moves along so rapidly, even when I am alone. Since our last letter, I have been again to Italy, Belgium, and Germany, for the first time without Tance. She was greatly missed, and mourned by many. Also, I have appointed Peter Trozze, 82 Riverside Drive, Binghamton, NY, the Treasurer Protem, to take the extra load off me.

I celebrate her life! I wouldn't have missed sharing my life and love with her for anything in all the world. Once when we spoke of the possibility of one of us dying, I told her, "If I should die, I would want you to find someone to love." She replied in her own inimitable way, "Well, I don't want YOU to find ANYBODY!" "Oh no," I came back, "If you die, you're on your own!"

I am happy to report that I can see some daylight beyond my darkness. I suspect that Tance somehow managed to send a widow named "Katie" Sondag my way. I have been dating, and laughing, and singing again, and when I do, I feel wonderful. I still miss Tance terribly, and have to scream out pain, but not all the time!

We're looking forward to our Annual Conference and Meeting in Stockholm in August. If you want to present, be sure you get an abstract to their office as soon as possible. (Certainly before January!)

Our Board Meeting is tentatively scheduled for January 6, 1988, by conference call. We will be in touch across the Atlantic both before and after to coordinate Director's decisions and dialogue on all relevant issues.

I will be with Dario Cipani and Carlo Kreiner in Disenzano, Italy for an NIP workshop January 15, 16, 17; in Gent, Belgium with Johan Maertens and Magda Baukeland for training, theory and practice at their Crisis and Treatment Center, January 21, 22, 23; then at Gronenbach for an in-house NIP workshop, February 12, 13; and with Jeff and Julia Gordon in Sinsheim-Reihen, Germany, February 15, 16, 17 for a regular NIP workshop.

Thank you all for your gentle expressions of sympathy.

George
