Letter from the President

A word of appreciation to our chapter in Sweden for sending President Inger to participate in the 1989 ISNIP Conference & Meeting.

We passed three especially significant milestones. First, we received the chapter organized in West Germany. Second, the American chapter was organized and accepted into ISNIP.

Third, we had our first presentation of NIP theory connected to a Consensus meeting.

The first two points (of fourteen) will be mailed out during August to the active participants, the people who made time to attend and to stay an extra day to initiate the process which is a pre-requisite to RESEARCH!

A word of admonition (sometimes called, "I'm angry with you") to all Fellows and Teaching Fellows who did not show. If we are to grow and flourish in creative and effective use of NIP, we must have our research.

Wherever the meeting in 1990 and 1991, all Fellows and Teaching Fellows have a responsibility for being at the meeting to work on the consensus. This also means participating in consensus work all during these years.

Please indicate to your chapter presidents, as soon as possible, that you are making plans that will enable you to help and to attend the conference.

I will appreciate hearing officially from the president of each chapter in response to this letter. Newsletter representatives from Europe, please translate it and distribute it to your chapter members.

Love,
George M. Rynick

Letter from the Editor

GREETINGS!

I hope you enjoy the ISNIP newsletter's 'new look'. I was thinking that the Society, no longer in infancy, needed a fresh look. Hopefully the changes will make it more readable, easier for you to find information you need. . . and generally more "fun".

The conference in June was great. It was so good to see "old" friends and match "new" faces with names I'm familiar with from the newsletter. Certainly a BIG THANKS goes to Yetta Lautenschlager, Ginny Lott, Tom Campbell and all the other hard workers in New Haven who put together such a great conference. (yea Loretta - chauffeur and juggler extraordinaire).

I truly appreciated your comments and offers of help regarding the newsletter. One tentatively planned addition will be a brief book review column, suggested and authored by Marilyn Ellis. Another column will be featuring news from each of the European chapters as a way of staying in close touch from both sides of the Atlantic.

There are so many possibilities for this newsletter, and I'm feeling really excited. Please stay in touch as your contributions are vital to this publication's success and growth. Again, any information sent needs to be TYPED so there is no confusion concerning spelling or content.

Hugs to you all,
Pat

Announcement

Chris Koenig of The Netherlands has been barred from participation in ISNIP activities and membership in the Society until such time as he resolves conflicts between himself and the Flemish-Dutch Chapter. This action was taken by the ISNIP Board of Directors.

Conference Notes . . .

Five ISNIP members received awards that were presented at the banquet for outstanding service to the Society. The recipients were Bill Wolfson (TF), Ingo Gerstenberg (TF), Peter Geerlings (TF), Dianne Decker (F), and Pat Kissick (F). Congratulations to all, and thanks for your contributions to the Society.

Treasurer Ginny Lott gave a financial report at the general meeting which showed a balance of \$462 in the treasury as of May 15, 1989. Ginny noted that this balance did not reflect incoming dues or any profit that may have been made on the conference. She suggested a 1989-1990 pared-down budget of \$5,282. A more detailed reporting will appear later.

The site for the 1990 ISNIP conference has yet to be determined, however Amsterdam, The Netherlands, was suggested and will be looked into with the Flemish-Dutch Chapter. The 1991 conference is tentatively planned to take place in the Washington D.C. area.

Work on forming an American Chapter of ISNIP is being pursued.

Congratulations Ginny, Paul

Congratulations are in order to Virginia (Ginny) Lott, Society Fellow, who received her Masters degree from the University of Bridgeport (Connecticut) in Marriage and Family Therapy. . . and to Paul Komatinsky (Society Member-in-Training), who completed his Master's Degree in Social Work from Marywood College, Scranton, Pennsylvania. Good going to you both.

. . . And More

While we're congratulating, we must not forget to applaud three Society members who have become Society Fellows in the past year – Carlo Kreiner, M.D. of Gardone Riviera, Italy; Richard Reiches, M.S.W., of Baltimore, MD; and Ginny Lott, M.F.T., of Bridgeport, CT.

Society Calendar

We're interested in what you're doing! If you're planning treatment/training events in the New Identity Process, let Society members know by listing the events in this calendar. Send along a paragraph of pertinent information. A charge of \$20 per event will be made, up to \$200 annually. Please send check along with listing to the newsletter editor.
