Boardmeeting 8

September 1994

1. Finances 1993

The Finance Committee and the Board approved of the financial report 1993.

Remarks : view of ISNIP account USA should be available

2. International Casriel Institute

2.1. Report on the workshops

A report was given of the first workshop. Unfortunately the second workshop was cancelled due to the low number of participants. But the board decided not to cancel any workshops anymore even if this means financial losses. It is important that those who are interested get the opportunity to follow the workshop at the international training center. The board hopes that all the chapters will send some delegates both as trainers and as participants.

2.2. Dates + trainers

Workshop 4 : 25 February - 1 March 1995 - by Martien Kooyman (NL) & Asa Lööf (S)

Workshop 5 : 24-28 April 1995 - by Peter Geerlings (NL) & Inger Johansson (S)

Workshop 6 : 12-16 June 1995 - by Adelheid & Ingo Gerstenberg (D)

Workshop 7 : 4-8 September 1995 - by Arn Ingermar (S) & Gunvor Gustavsson (S)
This date is changed due to the International Conference on 21-24 September 1995 in USA.

Workshop 8 : 20-24 November 1995 - by ? & ?

3. Sponsoring Russian

The Russian candidate didn't show up for the workshops at the International Casriel Institute. Still the idea lives to admit people from Eastern Europe to the international training under for them reasonable (financial) conditions.

4. Status of assistant therapist

The board was in favour NOT to change the terminology.

The board will discuss this item again at the international Conference in Washington.

5. Application for a patent on the name Casriel Psychotherapy and the logo
This proposition is not accepted because of the financial implications.
