

ISBP Conference 2021
International Society for Bonding Psychotherapy.
1-3 October 2021

“BEING IN TOUCH AGAIN”

Belluno, world capital of Emotional Therapy.
Hotel Da Benito, Ponte nelle Alpi (BL) – Centro Giovanni XXIII, Belluno

Have you started already to get to know our experts on the previous Newsletter Six, the lectures and the workshops they will present at the **22nd International Conference of the ISBP?**

These are professional from all over the world, in particular from the national chapters of ISBP (*International Society for Bonding Psychotherapy*), widespread in the USA, Argentina, Germany, Belgium, the Netherland, Sweden, Italy, Switzerland, Portugal and Slovenia. In these locations ISBP Teaching Fellows are involved in teaching and certifying the practice of Bonding Psychotherapy.

Their speeches will focus on many different aspects of Bonding Psychotherapy, from research to clinical and/or groups' experience, from the theoretical foundations initiated by the founder, Daniel Casriel, to new developments and new areas of application. The program will be spaced out by workshops that will allow not only to achieve new knowledge, but especially to learn from actual experience.

Discover the curricula of the balance speakers and their abstracts of the reports/workshops they will present at the event.

(Button for pdf download)

To listen to their lectures and participate in the workshops, register for the 22nd ISBP Conference on the page:
